ORDER

This matter is before the court on defendant's motion for early termination of supervised release [DE #167]. The court observes that the defendant will complete one-half of his term of supervised release on or about March 15, 2016. Assuming there are no violations, the court will consider a motion for termination on or after March 15, 2016.

Therefore, defendant's motion [DE #167] is DENIED.

This 24th day of September 2015.
